Items

- SongStrike, a master-crafted bastard sword with a crystal-like polymer blade, named so for the varying sounds the sword makes upon impact as it resonates, sounding almost song-like during a flurry of strikes. The trapped within the blade are the souls who died from its edge.
- Raider, a sawn-off carbine rifle chambered in 300 blackout, with a red dot sight and a laser pointer.
- Suit of ancient full plate armour, covered with insignias that have been lost to time. The armour has many flutes and the metal it is made of is strangely lightweight yet still strong enough to withstand gunfire and explosions.
