Items

- Several outfits packed in a suitcase. Many are somewhat worn out, given that a tailor for someone of her size is difficult to afford on a minimal budget.
- A 10mm kinetic, ballistic pistol for self-defense. She usually uses magic, instead.
- A seemingly endless supply of snacks as far as most people can tell. She's almost always eating something.
- A personal electronic map noting most known star systems and other spacemarks¹⁾
- An assortment of knick-knacks and other memorabilia-like items of no real value outside of the sentimental.
- A small, easy-to-remove poster of some cool stealth fighter, dramatized.
