Biography

Illustrie "Grove" Gramatium was born to two Inquisition-fearing parents who, when she started showing signs of magical abilities, sequestered her away while adopting another daughter to replace her. It is said in some circles that the look-alike adopted daughter does not have pink fringe tips, but only teal hair and believe that she is not the true queen, but the general belief is that Queen Illustrie is who she says she is. That is not the case. The true blood-born queen is in fact the young woman that goes by the name of "Grove," the girl with the naturally pink and teal hair.
