Biography

Lone was raised by a drunken father and a prostitute mother. They were always beating her any time they were angry or if she made a sound. After her father lost his job, Lone was lead by her parents into the furthest parts of the kingdom where she was abandoned on the street. Lone survived on the streets for some time. One day she picked the pocket of a wealthy looking man. The man chased her down through the streets. She fought the man and injured him, but was taken prisoner. It turned out he was Zion Peshang, the soon to be elected ruler of the Southern Republic. He saw something in her, potential, he took her in and had her trained in school, in fighting, and in how to let go of her bad memories. She grew up next to his son Xelilo who was about her age. The two became fast friends and inseparable.

The Dark Underbelly

Quotes

Xelilo's father made a point to try and purge the corruption of the Republic's many guilds. A summit was to be held between the guilds and Zion. The summit escalated into violence as the guilds began to fight amongst one another. Zion was slain in the fray. Now that the patriarch of the Peshang family was dead, his enemies descended upon his house. Xelilo's mother died protecting Xelilo and Lone. Lone killed a goblin attacker that came after them. It was the first life she had ever taken and it made her freeze up. Xelilo quickly broke her from her trauma and they two fled.
