## Physical Appearance

The being known as Xorn Aesto is a ball of glowing gas confined into a humanoid shell designed to be vaguely male-shaped. The gas appears to be a golden colour, while the shell is gunmetal grey.

The head of the suit resembles a robotic skull with vents for eyes where trails of golden vapour can be seen venting while the rest of the shell is modelled after the musculature of an athletic humanoid.

For modesty's sake Xorn chooses to clothe himself, and when you have been around for as long as he has, you sometimes decide to slip into the boots of another. As such his current style is modelled after that of a Noir detective, with a dress shirt, a tie, a trench coat and some formal looking shoes, never a hat.
