Zeke Rothart	
Gender	Male
Race:	Human
Age:	38 Years
Faction:	Independent
Occupation:	Necromancer for Hire

### **Physical Appearance**

Zeke is a rather short man standing in at just over 5' 6", with a stunted lightweight frame that remains as a byproduct of past self-experimentation. He sports a dark-skinned complexion, with a rounded face that appears more aged than the rest of his body. Zeke has black hair that has become mostly grayed, with the exception of the stubble around his jawline. Zeke's eyes are a greenish blue, and are often seen behind a pair of thick spectacles. The eyeglasses rest in a horned frame carves out of ivory.

Zeke is often-times seen wearing a set navy blue robes and jacket, alongside grey pants and gold trims. Most often seen wearing brown leather boots, and a blue wide-brimmed bush hat- equally worn. In their recent endeavors, Zeke has had to hide from some angry men, prompting the addition of a white porcelain 'party mask' that covers their face from the eyebrows down. The mask fits prescribed lenses, has a pointed "beaky" presence, and sports strips of tar-like paint that run from the eyes down the cheek.

## **Biography**

For his occupation, Zeke is a surprisingly cheerful man. He is deeply curious about the workings of life, death, and time, and how people throughout their lives dance with all three.
