

Nightwalker Station

Nightwalker station is a Nepleslian colony and Star Army of Yamatai asset package deal. It is currently under construction.

Appearance

It has a multi-part appearance that has a central elongated diamond shape and then around the center of that mass and far from them -somewhat like rings around a planet- circle around the diamond shaped central piece. All of the structure is quite massive and is painted gold in the middle and the outer rings are green.

Interiors

The interiors of the ship are sectioned off according to military branch, faction involved (Yamatai and/or Nepleslia), and if it for civilians, manufacturing, good and services, or other.
