

Arbitrated

Arbitrated is a four foot tall woman. She loves to play video games and RP with people, and has a minor habit of trying to make her characters slightly generally underpowered.... But still viable.

She currently has two characters at this time: [Arbitrated Shan](#) and [Arete Surinus](#).

Now there's a third: [Aradia Sivins](#).

Does anyone read this? [Artemis Solipso](#)

OOC Notes

This page was originally created by [Arbitrated](#) on Tue 23-01-18.
