## History

The history of Ayenee predates modern record-keeping. It was born of the A&E (Arts and Entertainment) section of Yahoo!Chat. Communities were created in time that were spawned of the chat rooms of the past in the form of actual websites and forums. Many of these forums are viewable at [archive.org](#). Then, the boards were merged and the board <sup>5)</sup> is still visible as the [Realm of Tears](#) on Yuku. Then, it was brought under the umbrella of Ayenee.org. Many offshoots spawned during this time when Yahoo!chat fully closed its doors. In 2016, [Wes](#) took over the site and moved it back to its url.

It has been moving steadily towards the common goal of an RP community that is diverse, supportive, and enjoyable for all.

## More About Ayenee
