## Quotes

- “I'm not afraid to dream. I dream of a day when the endless fighting and chaos subside. A day when we shall know peace and can truly rebuild. A day when those who lord their powers over us shall be vanquished. When the humans, the powerless, the tired, can rise up and overthrow this system that is rigged against us!” Malmora to the rebel forces.
- “If you want to go, then go! I shall not keep you. If you want to bend my broken heart to kneel before your love then change my mind. Tell me that its not all for nothing. Tell me that I haven't put my trust in another false hope.” Malmora to Reese Blackthorne.
- “When I looked into your eyes, I saw nothing. I only saw my own reflection looking back at me. You soul is as cold and empty as the darkness of space. What are you?” Malmora to the Dark Effigy.
- “Everything falls apart. Nothing lasts forever. My father thought he could change the world. He thought that people could change, that they wanted a better world. He was wrong, people want to be broken, trampled, forgotten, left to die alone. The people are their own worst enemies and they seem to not care.” Malmora after the battle of Painted Canyon.
